Five Members of Georgetown Track Team to Compete in Championship Events

GEORGETOWN TRACK Many Good Entries IN COLLEGE GAMES

Blue and Gray Will Send Five Athletes to Intercollegiates at Cambridge.

By BRYAN MORSE.

Georgetown University will send at least five athletes to the intercollegiate championehips at Cambridge, Mass when Harvard takes charge of the games this spring. The decision was reached recently at the Hilliton and Coach John O'Rellly will have his athletes out for hard work from now on.

For the first time in two years the Blue and Gray track is in condition to use. Graduate Manager Cox has re-constructed the cuarter-mile cinder track. Thorough seasoning has been necessary to pack the cinders and the going is now as fast as any in the

Just who will make up the team to be sent to the big games is a problem. One or two sprinters and at least two field men are likely to be picked for the events. Griffith, Curay, Campbell, Weiser, Stebbins, Leighty, Weidmann, Robertson, Lowe, and O'Connor are going to make a bid for henors, and will be put through workouts from now on. May 6 will find Georgetown competing at Charlottesville for the South Atlantic charapionships. A dual meet with the Navy will probably be ar-

All of the high schools will get action tomorrow in taseball if plans carry. Tech is down for a game with the Bliss Electrical School, Business meets Charlotte Hall, Central will play Tome at Port Deposit, Md., while the Army and Navy Preps will battle Episcopal High. Business and the A. N. Preps are making their first start of the year.

The Wellesley High School basketball team of Boston, which visited here this winter playing the Army and Navy Dreps, Western, and Business, was beaten Tuesday by the Pittsfield, Mass., for the State title by a score of 8 to 17. The season in New England is considerably longer than it is here.

"Dunk" Kennedy, former Army and Navy Prep athlete, pitched for the Navy yesterday and defeated the Maryland Aggies by 3 to 3. The contest was a iree hitting affair. Chichester, the Aggies pitcher, went well until the seventh, when the Navy got in 4 runs. Tom Fisher, a former Eastern High School lad, played third for the Navy, making it his fourth season with the nine. The Aggies showed lack of practice.

The Georgetown Preps handed Western a 7 to 6 beating yesterday in the
opening engagement for both schools.

Western used eighteen players who contributed no less than six errors. Muffed
files on both teams had much to do
with the run-getting. Corbett, the
Prep pitcher, succeeded in whiffing 19
Westerners, who looked at a curved
built for the first time this season.

Steward's Business College has gathered a number of former high school stars together. Walter Cox, Central's hurler last season, will captain the team. Worden Dyer and Cornish, of Eastern, are with the team. Taylor and Roberts, of Tech, and O'Brien and Giblin, of Western, are with the Steward's nine. Games have been arranged with the high school nines.

John O'Reilly gave Dorsey Griffith, former Western boy, a trial in the box yesterday. Georgetown is hard up for left-handers, and as Griffith has had some experience, he was given the cance over. O'Reilly is working on the lad and expects to see him come through.

Business has made little progress thus far on the diamond on account of poor weather. Coach White gets a start omorrow. Episcopal was scheduled to play here today, but the game was

RUPPERT DELIGHTED WITH YANKEE TEAM

Promises New York Fans That They Will Be Satisfied.

NEW YORK, March 31 .- Colonel Rup, pert, boss of the Yankees, is back or Broadway and delighted with the team he saw working out in the South.

"I think I can safely promise Yankee fans that they will have a far stronger club than that for which they rooted last season." says the colonel. "Frank Baker is going to make that infield a real one. He is recovering from his injury and his batting is as good as ever. "Lee Magee has been a bit worried over his hitting form. But I am not a bit worried over his hitting form. But I am not a bit worried over him. He's a firey fellow, I can tell you, and will be batting them out with the best when the time comes. Better that he has the slump now than during the season. "Young Gilhooley is a dandy player. He is every day making good all the fine promises of the scouts who advised me to buy him at any price. "Gedeen has played well at second base. He is clouting the ball. Every one says the club has a better lot of young pitchers than usual. Bill Donovan is satisfied that he will have at least two and possibly three reliable southpaws.

"But best of all is the spirit of the "I think I can safely promise Yanked

southpaws.

"But best of all is the spirit of the boys. They are all out to play the best ball in them. You will see a team of real fight and spirit when the Fankees face the Dodgers at Ebbets Field next
